4 Cito Area			
Site AreaWhat is the measurem	nent of the site area?	364.00	
(numeric characters o Unit	nly).		
Uniii	Sq. metres		
5. Description of	-		
		opment or works including any ch	
below.	rechnical Details Const	ent on a site that has been grante	d Permission In Principle, please include the relevant details in the description
Installation of 2 no. rainew rainwater goods,	lings and conversion of maintenance and repair	2 no. windows into doors to form ting of front elevation.	balconies, above porch and bay window at front elevation. General tidying up,
	ge of use already started		⊚ Yes

6. Existing Use			
Please describe the current use of the site			
Existing building made up of flats			
Is the site currently vacant? ☐ Yes ☐ No			
Does the proposal involve any of the following? If Yes, you will need to submit an appropriate contamination assessment with your application.			
Land which is known to be contaminated			No No
Land where contamination is suspected for all or part of the site			No No
A proposed use that would be particularly vulnerable to the presence of contamination Yes No			No
7. Materials			
Does the proposed development require any materials to be used externally?			
Please provide a description of existing and proposed materials and finishes to be used externally (including type			and name for each material):
Doors			
Description of existing materials and finishes (optional):	Painted timber doors		
Description of proposed materials and finishes:	Painted timber doors		
Other type of material (e.g. guttering) Balcony railings & Rainwater goods			
Description of existing materials and finishes (optional):	- Balcony Railings - none present - Rainwater Goods - black uPVC		
Description of proposed materials and finishes: - Balcony Railings - Black painted bow metal railings to match properties - Rainwater Goods - Black painted metal		lings to match neighbouring	
Are you supplying additional information on submitted plans, drawings or a design and access statement?			○ No
279-P-01a - Existing & Proposed Plans & Elevations			
8. Pedestrian and Vehicle Access, Roads and Rights of Way			
Is a new or altered vehicular access proposed to or from the public highway?			No No
Is a new or altered pedestrian access proposed to or from the public highway?			No No
Are there any new public roads to be provided within the site?			No No
Are there any new public rights of way to be provided within or adjacent to the site?			No
Do the proposals require any diversions/extinguishments and/or creation of rights of way?		● No	
9. Vehicle Parking			
Does the site have any existing vehicle/cycle parking spaces or will the proposed development add/remove any parking Yes No spaces?			

Are there trees or hedges on the proposed development site? And/or: Are there trees or hedges on land adjacent to the proposed development site that could influence the development or might be important as part of the local landscape character? If Yes to either or both of the above, you may need to provide a full tree survey, at the discretion of your local planning authority. If a tree survey is required, this and the accompanying plan should be submitted alongside your application. Your local planning authority should make clear on its website what the survey should contain, in accordance with the current 'BS5837: Trees in relation to design, demolition and construction -
