25<sup>th</sup> March 2020

The Chief Planning Officer  
The London Borough of Camden  
5 Pancras Square  
London  
N1C 4AG

Dear Sir/Madam,

**CLARIFICATION OF THE DECLARATION OF ICNIRP COMPLIANCE ISSUED AS PART OF THE PLANNING APPLICATION ATTACHED FOR SITE CTIL\_234861 20, TEF\_79366, HADDO HOUSE, HIGHGATE ROAD, HIGHGATE, LONDON, NW5 1PX (NGR: 528530, 185838)**

I refer to the Declaration of Conformity with ICNIRP Public Exposure Guidelines ("ICNIRP Declaration"), sent with this application in relation to the proposed telecommunications installation as detailed above.

The "ICNIRP Declaration" certifies that the site is designed to be in full compliance with the requirements of the radio frequency (RF) guidelines of the International Commission on Non-Ionizing Radiation Protection (ICNIRP) for public exposure as expressed in the EU Council recommendation of July 1999.

**This ICNIRP declaration takes into account the cumulative effect of the emissions from the proposed installation and all radio base stations present at, or near, the proposed location.**

The radio emission compliance calculation is based upon the maximum possible cumulative values.

All operators of radio transmitters are under a legal obligation to operate those transmitters in accordance with the conditions of their licence. Operation of the transmitter in accordance with the conditions of the licence fulfils the legal obligations in respect of interference to other radio systems, other electrical equipment, instrumentation or air traffic systems. The conditions of the licence are mandated by Ofcom, an agency of national government, who are responsible for the regulation of the civilian radio spectrum. The remit of Ofcom also includes investigation and remedy of any reported significant interference.

The telecommunications infrastructure the subject of this application accords with all relevant legislation and as such will not cause significant and irremediable interference with other electrical equipment, air traffic services or instrumentation operated in the national interest.

If you have any further enquiries concerning the "ICNIRP Declaration" certificate or anything else in this letter, then please contact Cornerstone Community Consultation and EMF Enquiries at [community@ctil.co.uk](mailto:community@ctil.co.uk).

Yours faithfully,

Gavin Smith  
Project Manager
