2020/1467/T		26/03/2020 22:09:45	NOBJ	<p>I am the co-owner of Fitzjohn's Avenue and in support of the removal and felling to the ground of the 3 lime trees described above.</p> <p>I understand that in their place, six new trees will be planted, and in time the green character of the environs will be restored.</p>
2020/1467/T		26/03/2020 22:09:45	SUPPRT	<p>We support this application. The trees are now extremely tall, and the encroachment of roots has caused structural damage to the boundary wall that has necessitated unsightly propping up with scaffolding to avoid collapse and potential injury. The replacement trees proposed will be much more suitable for the neighbourhood.</p>
