Dear Sir/Madam

**Re: 50 KENTISH TOWN ROAD, LONDON NW1 9PU : PLANNING APPLICATION FOR REMEDIAL WORKS
TO FRONT LIGHT-WELL AND FRONT VAULT**

Further to our planning submission, our client is London Borough of Camden who will be paying the planning application fee.

The contact for payment is as follows

Chris Fallon
Team Manager Major Repairs and Voids
London Borough of Camden
Phone: 020 7974 5387
E-mail: Chris.Fallon@camden.gov.uk

Or

Harshad Pankhania
Contract Manager
London Borough of Camden
Phone 020 7974 3822
E-mail: Harshad.Pankhania@camden.gov.uk

We have completed an “Application for Planning Permission and listed building consent for alterations, extension or demolition of a listed building” though the proposed remedial work to the Light-well retaining wall and vault may or may not require planning and listed buildings consent.

We have ticked the box for Cheque payment in order to be able to submit the application using the planning portal; please note there is no option for payment exemption that appeared appropriate.

Prior to preparing the proposals, we sought advice of the Conservation Planning Officer, Colette Hatton.

If you have any queries or comments concerning the above, please do not hesitate to contact us.

Yours sincerely
