2020/0458/P	Tamas Haiman	30/03/2020 11:56:51	OBJ	Please decrease the hight and the size of this planned garden room. As our balcony is directly overlooking the neighbouring gardens, a garden room with the current design would significantly spoil the view. Also, the current design with the large windows would allow you to see inside the first floor bedroom and invade the privacy of the terrace. The hight of 2.8m is too high for a conservation area,
