2020/0484/P	Highgate Conservation Area Advisory Committee	28/03/2020 19:30:46	COMMNT	Highgate Conservation Area Advisory Committee comment on this application as follows: 1. We presume the existing front windows are double hung sash windows and not casements. If that is the case then the new dormer window should also be sash window 2. We would prefer the railings to the new entrance steps to be painted in Heritage Beige, exact colour to be approved
