2020/0691/P	Nick Plinston	27/03/2020 20:11:35	OBJ	We do not accept the idea of this property being converted from a Public House to residential use. This appears to be yet another example of the removal of a pub (public space) for the benefit of a private development. The community loses a long term asset and gains nothing. This pub should be preserved as it is. We object to this application.
