2020/1457/P	Jonathan Byatt	30/03/2020 14:15:05	SUPC	While the drainage plan seems overly complex, this will be a matter for trained engineers to assess. Can the owner developer please co-ordinate with Camden gardening contractors to recycle any flora or fauna impacted by this significant change. Early Warning to Camden of the timetable of works will enable the contractors engaged by Camden to remove the plants at an agreed time and reinstall these to improve the quality of life and reduce pollution on other Camden Estates or parks.
