Dear Planning,

Please find an objection to the above planning application.

I am also going to forward this to PINS as we have a related enforcement appeal that John is dealing with (EN18/0080).

Thanks,

Geri Gohin
Planning Assistant

The majority of Council staff are now working at home through remote, secure access to our systems.

Where possible please now communicate with us by telephone or email. We have limited staff in our offices to deal with post, but as most staff are homeworking due to the current situation with COVID-19, electronic communications will mean we can respond quickly.

Dear Planning

RE: 2020/0147/P.

I strongly OBJECT to the planned communications tower on the top of Southfleet, Malden Road, NW5

The council should not be subjecting its citizens to these untested experiments in wireless communications.

It is an eyesore and will encroach on the views of buildings looking south.

Yours
