2020/0899/P	Alison Goodhill	01/04/2020 15:42:41	OBJ	I am a joint freeholder and resident at [REDACTED] and would like to object to this application as I believe it will negatively impact the privacy of our property especially with the addition of side windows; the rebuilding of the current rear extension could have effect on the stability of neighbouring foundations and the planned design of the extension is not conducive to the style of the building.
2020/0899/P	Christine Davison	01/04/2020 16:45:04	OBJ	We want to strongly appeal against this planning application. I live in the [REDACTED] and an upper ground floor extension will greatly affect my privacy, there would be windows overlooking my garden and into my bedroom. As far as I can see there are no other upper ground floor extensions in this road. It will also impact on the general green large gardens in the neighbourhood and cast afternoon shade onto my garden.
