**Planning Application 2020/0673/P**  
**25-26 Red Lion Street**

Dear Jaspreet,

I have just been informed of the above planning application by a neighbour. This restaurant has previously caused us much grief, showing little concern for local residents. As a result, I will be writing to object to this new application.

In light of the current government lockdown due to Covid-19, I was wondering if the time for comments could be extended. Living directly above the restaurant but currently spending everyday inside my flat, I obviously didn't see a notice posted on the street. I'm sure others would like the opportunity to comment. As a result of the lockdown I think most will not have seen this notice yet.

I look forward to hearing from you soon.  
Kind regards,
