Hi Tony

Please find the updated documents below.

1. I have scanned to pdf format see below.
2. Which regards to Heritage statement / attached, I have added "propose of work" on some other parts with copied from "Historic England" link you suggested me.
3. I have attached drawings designed by B&J designer see below.
4. I will remove 2 x spot lighting for hanging sign and replace new hanging bracket and hanging sign board. Only stay and keep long external lighting for fascia signage.
5. I don't mind to remove from proposal, however I notice that our neighbours has A sign on street.

Kind regards

Yokichi
