Drawing Nos: PY3339/031, 164-167 Tottenham Court Road Location Plan, New World Pay Phones Specification Document-rev-A, Cover Letter dated 30/06/2019

The Council has considered your application and decided to **refuse** planning permission for the following reason(s):

Reason(s) for Refusal

- 1 The proposed telephone kiosk, by reason of its location and size, and lack of evidence to justify the need for an additional kiosk in this location, would add to visual clutter and detract from the character and appearance of the Bloombury Conservation Area and wider streetscene, contrary to policies D1 (Design) and D2 (Heritage) of the London Borough of Camden Local Plan 2017.
- 2 The proposed telephone kiosk, by virtue of its location, size and detailed design, and lack of evidence to justify the need for an additional kiosk in this location, adding unnecessary street clutter, would reduce the amount of useable, unobstructed footway, which would be detrimental to the quality of the public realm, cause harm to

highway safety and hinder pedestrian movement and have a detrimental impact on the promotion of walking as an alternative to motorised transport, contrary to policies G1 (Delivery and location of growth), A1 (Managing the impact of development), C6 (Access for all) and T1 (Prioritising walking, cycling and public transport) of the London Borough of Camden Local Plan 2017.

- 3 The proposed telephone kiosk, adding unnecessary street clutter, would create opportunities increase opportunities for crime in an area which already experiences issues with crime, therefore the proposal would be contrary to policy C5 (Safety and security) of the London Borough of Camden Local Plan 2017.
- 4 In absence of a legal agreement to secure the removal of the existing kiosks and a maintenance and management plan for the proposed kiosk, the proposal would be detrimental to the quality of the public realm, and detract from the character and appearance of the streetscene, contrary to policies D1 (Design), D2 (Heritage), G1 (Delivery and location of growth), A1 (Managing the impact of development), C6 (Access for all) and T1 (Prioritising walking, cycling and public transport) of the London Borough of Camden Local Plan 2017.
