Reason: In order to safeguard the special architectural and historic interest of the building in accordance with the requirements of policy D2 of the Camden Local Plan 2017.

Informative(s):

- 1 Reasons for granting consent:

This application seeks consent for the erection of a free-standing timber framed and clad octagonal Porters hut to be positioned at the north west corner of the site. The foot print of the hut is approximately 1200x1200mm. The purpose of this hut is to provide shelter for hotel staff as they manage the hotel entrance; passers-by, traffic, and guests in the external seating area and alleyway which forms part of the site running between Great Russell Street and Bainbridge Street.

The hut will be painted black with felt shingle roof and decorative finial. The structure includes two timber framed windows and a timber door. No fixtures are required to erect the hut and there are no physical attachments to any architecturally significant features. Furthermore, the structure would be fully removable in the future.

The erection of the Porters hut is considered acceptable and appropriate to the setting of the Hotel environment, and furthermore it is not considered the development would detract from the setting of the listed building or character of the conservation area. In addition, as the porters hut is free-standing, the structure can be entirely removed in future without causing any harm to the listed building.

No objections have been raised in relation to the works. The application site's planning history and relevant appeal decisions were taken into account when coming to this decision.

Special regard has been attached to the desirability of preserving the listed building and its features of special architectural or historic interest, under s.16 of the Listed Buildings and Conservation Areas Act 1990 as amended by the Enterprise and Regulatory Reform Act (ERR) 2013.

The proposed development is in general accordance with Policy D2 of the Camden Local Plan 2017. The proposed development also accords with the

London Plan 2016; and the provisions of the National Planning Policy Framework 2019.
