5. Description of the Proposal

Please describe details of the proposed development or works including any change of use and details of the proposed demolition.

If you are applying for Technical Details Consent on a site that has been granted Permission In Principle, please include the relevant details in the description below.

Permission is sought for a small amendment to planning application 2019/2608/P. Approval has already been granted for modifications to the existing First Floor terrace upstand, which include a reduction in its height by 200mm and the installation of a timber screen to a height marginally higher than the existing parapet. The applicant wishes to install metal railings in lieu of the timber screen for which approval has already been granted.

Has the work or change of use already started?

☐ Yes ☒ No

6. Explanation for Proposed Demolition Work

Why is it necessary to demolish all or part of the building(s) and/or structure(s)?

As with the application 2019/2608/P for which approval has already been granted, the proposal entails the demolition of part of the terrace upstand, that is the applicant wishes to lower this upstand by 200mm and to install behind it metal railings up which she plans to train climbing plants.
