2020/0816/P	Sarig Peker	07/04/2020 09:43:54	OBJ	<p>As the upstairs neighbour of the property in question, I would like to see the detailed plans and drawings to ensure any building work will not compromise the structural integrity of my flat above.</p> <p>On the logistic side I would like to have an understanding of where my neighbour is planning to store building materials, skip, etc during works in order not to compromise access to my flat and the use of common areas. I will provide final comments once the above information is provided.</p>
2020/0816/P	Mike Baker	07/04/2020 16:42:19	OBJ	<p>I am very surprised there is no visual documentation to show how this will look. How can we comment on the suitability of the project when there are no such details? For that reason I have to raise an objection</p>
2020/0816/P	ERROL HOLDER	07/04/2020 11:57:07	OBJ	<p>We own and live in the terrace house number 78 Belsize Road, NW6 4TG, which is adjacent to the premises 76A Belsize Road, the subject of this application.</p> <p>We have to object to this application since there are absolutely no details given as to the size of the extension, the material to be used or the perceived use for the extension. An extension of any type will have an impact on our property.</p> <p>We can the comment further when these details are given.</p>
