2020/0944/P	Michael Lowndes	08/04/2020 12:42:45	OBJ	<p>It looks like the description of development is incorrect. Once the description is updated it might be prudent to re-advertise the application. It looks like the proposals actually involve the self-containment of the split-level Flat 1 within the main building of No 23 which is welcomed. However it would also seem that the proposals would lead to the potential creation of an independent dwelling in the storeroom. The drawings show a bathroom as well as a kitchen range (including a dishwasher cupboard!). This aspect of the proposals is an inappropriate 'beds in sheds' arrangement of sub-standard domestic accommodation. Please treat this representation as an objection to the application.</p>
