2020/1133/P		17/04/2020 15:25:30	OBJ	<p>I believe this would have a impact on local residents with regarding the noise they already have big crowds outside waiting to go in that make a lot noise and when they come out they are all very drunk loud and on occasions getting sick outside our property, I have filmed them on occasions and also complained to Camden noise team in</p> <p>There are well over 50 individuals flats in Neal Street which are already impacted by noise and really don't think this will add any benefit to a local resident.</p> <p>I know they don't sell alcohol on the premises but they allow people to bring it in which in my opinion really adds to the problem with noise and people hanging around after they leave contribution to anti social behaviour I know Covent Garden is seen as a night spot to go out but the residents should also be taken into consideration when these units are rented out for any thing other than retail</p>
