

LOCATION A WITHOUT POLE

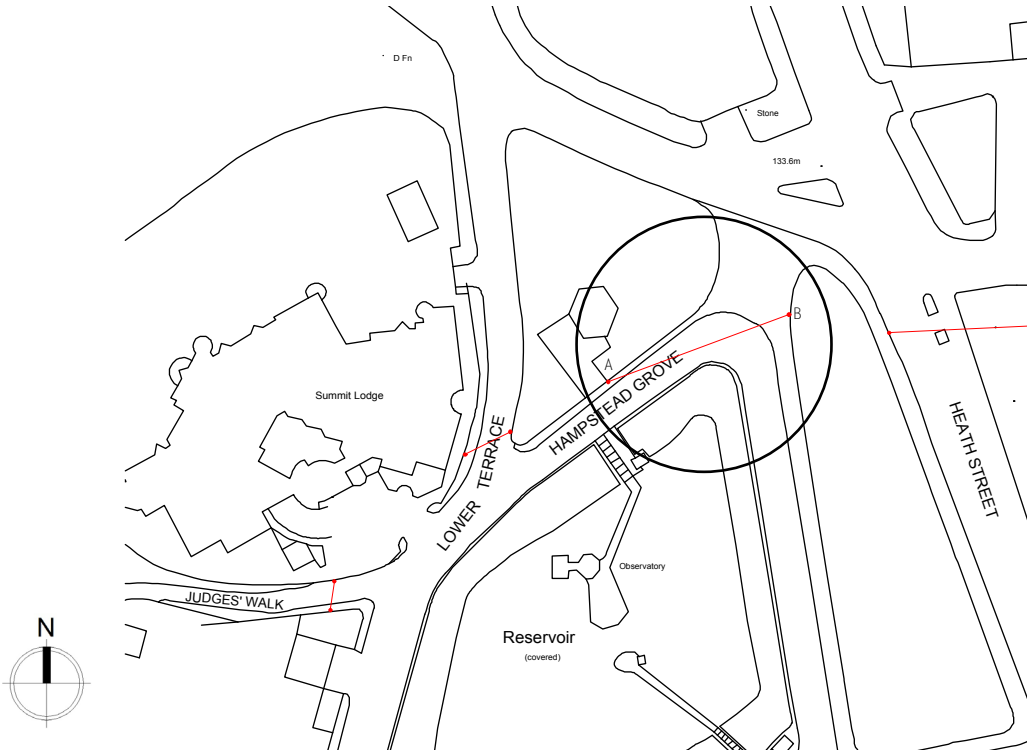

LOCATION A WITH POLE

DESCRIPTION:

The existing parking pole within the footpath to be replaced with a 5.5-metre high, 76dia pole in the same location but at the rear of the footpath adjacent to the cleft chestnut paling fence approx 3 metres to the left (southwest) of the brick pier with a clear nylon filament extending along and across Hampstead Grove to a replacement matching pole in the position of the 2.2 - metre high pole adjacent to the paling fence to the left (north) of the bank of recycling bins. Parking sign refixed at existing level and footpaths reinstated.
