2020/1761/A		21/04/2020 13:10:01	OBJ	These "convenience store" attached atm's are first off unnecessary as most shops accept card payments these days and secondly prey on those with lower incomes who cannot manage card payment systems and are usually fleeced with 15% tp 20% additional withdrawal charges for the pleasure. As a representative of the local community I strongly object to these plans on all grounds!
