Dear Mr. Bushell,

Re: 25, Nassington Road, NW3.
Your ref: PWXo3o2305/INCOMP.

INCOMP

Thank you for your letter of the 23rd April. We have been trying to contact you both last week and this week in order to discuss this matter.

You query whether Certificate B should have been completed. It should have been completed on the Application but erroneously was not in favour of Certificate A. Certificate B has been complied with. There are four flats and one is occupied by the Freeholder who is the applicant. We obtained the consent of the other three flats and in addition, the Lessee of the Garden Flat also gave written approval for access to the Garden to carry out the proposed work should permission be given. We also have acknowledgements of approval from the first and second floor flats.

We hope this letter will be sufficient to clarify this Application. If not, please let us know if you need anything further.

Yours sincerely,
HAMMOND & PARTNERS,

G. Lord.
