Dear Rodolfo,

Brill Place – single storey basement permanent and temporary works AiP Submission

I write further to our recent communications re the above and as requested I can confirm:-

- ORSA Projects Limited is engaged as Principal Designer for the works.
- Our Correspondence address is as above [15 Stratton Street].
- With reference to Section 3.11 of the Approval in Principle Document No. 7370-WSP-00-ZZ-RP-S-200700 for the Brill Place project and specifically the proposed temporary works and permanent structure for the future basement under the public highway.
- As Principal Designer, ORSA Projects Limited, confirm that the risks and hazards identified in the AiP Temporary and Permanent Works Design are appropriate and comply with the requirements of CDM Regulations 2015.
- The "Significant" Risks have been documented and are being actively reduced as far as reasonably practicable through the implementation of the Principles of Prevention.

Should you require any further information or wish to discuss anything in more detail, please do not hesitate to contact me.

I hope this covers everything, but if there are any questions please do come back to me.

Yours sincerely
ORSA Projects Limited
