- NOTES
1. Use agreed dimensions only.
  2. Do not scale from the drawing.
  3. All dimensions and levels to be checked on site and any discrepancies to be reported to the lead designer immediately, and before proceeding with any physical work.
  4. To be used in conjunction with current versions of all project documents from design team members.
  5. Structural and services information shown in architectural drawings are indicative only. Refer to consultant's drawings for details and settings.
  6. All work and materials to be in accordance with current and applicable statutory legislation and relevant standards.
