Dear Sir/Madam

DECISION

Town and Country Planning Act 1990 (as amended)

Full Planning Permission Refused

Address:

**Pavement outside 366 Gray's Inn Road
London
WC1X 8BE**

Proposal:

Installation of 1x telephone kiosk on the pavement.

Drawing Nos: Site location plan; Site plan (ref. PY3292/013); Cover letter from New World Payphones dated 30/07/2019; Specification document from New World Payphones (revision A); Pre-planning advice letter from London Borough of Camden (ref. 2016/3367/PRE) dated 16/09/2016; Various appeal decisions.

The Council has considered your application and decided to **refuse** planning permission for the following reason(s):

Reason(s) for Refusal

- 1 The proposed telephone kiosk, by reason of its location and size, and lack of evidence to justify the need for an additional kiosk in this location, would add to visual clutter and detract from the character and appearance of the conservation area, setting of nearby listed building, and wider streetscene, contrary to policies D1 (Design) and D2 (Heritage) of the London Borough of Camden Local Plan 2017.
- 2 The proposed telephone kiosk, by virtue of its location, size and detailed design, and lack of evidence to justify the need for an additional kiosk in this location, adding

unnecessary street clutter, would reduce the amount of useable, unobstructed footway, which would be detrimental to the quality of the public realm, cause harm to highway safety and hinder pedestrian movement and have a detrimental impact on the promotion of walking as an alternative to motorised transport, contrary to policies G1 (Delivery and location of growth), A1 (Managing the impact of development), C6 (Access for all) and T1 (Prioritising walking, cycling and public transport) of the London Borough of Camden Local Plan 2017.

- 3 The proposed telephone kiosk, adding unnecessary street clutter, would create increased opportunities for crime in an area which already experiences issues with crime, therefore the proposal would be contrary to policy C5 (Safety and security) of the London Borough of Camden Local Plan 2017.
- 4 In absence of a legal agreement to secure the removal of the existing kiosks and a maintenance plan or the proposed kiosk, the proposal would be detrimental to the quality of the public realm, and detract from the character and appearance of the streetscene, contrary to policies D1 (Design), G1 (Delivery and location of growth), A1 (Managing the impact of development), C6 (Access for all) and T1 (Prioritising walking, cycling and public transport) of the London Borough of Camden Local Plan 2017.

In dealing with the application, the Council has sought to work with the applicant in a positive and proactive way in accordance with paragraph 38 of the National Planning Policy Framework 2019.
