2020/0927/P	Jane Johnson	26/04/2020 22:10:33	COMMNT	I don;t have an objection in principle to the owners of 31 Willoughby Road developing their property, but would ask the Council to ensure that it will not adversely impact on Willow Cottages and the retaining wall at the back. I am concerned about the leakage of foul water underneath the retaining wall and ask for particular care to be taken to ensure there is no impact on the drainage system as we have had issues with foul water/sewage coming through and underneath the wall in the past. This is a real health concern, especially for the families living in the cottages who use the pathway beside it daily.
