2020/1082/P	David Greene	24/04/2020 09:28:02	OBJ	This application to build in the garden of this property should be refused . Its construction would set a dangerous precedent for reducing the area of green space on this road . Gardens in urban areas should be seen as precious things to be treasured and looked after . They contribute to preserving insect and bird diversity also cleaning our air all so essential to our well being .In addition it is generally agreed that over-building on green areas is contributing to increasing flood risk .
