2020/1786/T	Claire Newbrook	27/04/2020 10:29:57	OBJ	I manage Oak Hill Park Estate and the work to the rear garden seems to have already been carried out in January 2020. the trees have already been felled. this has had an impact on the view from the estate. there is no reason identified for the felling of the trees and some must be of historical concern.
