Hi there,

I am emailing in regards to the planning application- 2020/0829/P.

We own a property-[REDACTED] and haven't received a letter with this planning application. We saw the notice in Pond Square today and wanted to get in touch as the application would completely block light from our property and have a huge impact on living there.

Please can I request that we can still object to the planning, I know the expiry date has passed but due to not receiving a letter I would like to be logged on the objection list.

I look forward to hearing from you.
