Dear Raymond

I write on behalf of the Marchmont Association, the local amenity group for this community.

We understand you are the case officer for the above application.

We would like to submit an objection to these signs as

1. They spoil the appearance of the conservation area and
2. The brightness of the light pollution is likely to cause disruption to the residential flats above (we understand these properties are empty at the moment, many students etc have moved out due to the pandemic)

Regards

[REDACTED]
Marchmont Association
