

- 2No. new opening created for insertion of glazed double door sets.
- 1960's extension to corner of Tonbridge Walk/Euston Road to be demolished. External area to be rebuilt to mirror southerly end of Tonbridge Walk.
Stone plinth inserted with metal railings and gate forming a tertiary exit point from the Camden Centre.
Original door and window positions retained and repaired following removal of 1960s insertion.
- Façade fabric repairs including cleaning of stonework, localised stonework repair and decluttering of facades (e.g. redundant drainage/cabling/signage etc.) Subject to condition survey
- Double glazed refurbishment of windows with internal secondary glazing.
- Repair to roofs including removal/replacement of slate, leadwork and gutters.
- External balustrade fixed to existing parapet for safe access and maintenance of flat roof areas.
- Screens concealing plant on new pavilion
- New access stair from third floor roof terraces for access and maintenance of flat roof areas and roof top plant
- Existing CCTV cameras replaced with sensitive replacements. Existing cabling routes through heritage facade to be utilised.
