

- Existing windows to be retained and restored
- Non original windows to be removed in order to insert new window into full opening to match original.
- WCS to the base of South West Lightwell to be stripped out. Non-original asphalt roof structure to be removed. Extensive repairs to glazed brick at junctions required
- Existing drainage pipework to be stripped out. Sections of pipework assumed to be original.
- Glazed brick facade retained and repaired.
- Overhanging section of slate roof pitch to be removed to allow for connection of new rooflight.
- Section of existing pitched roof removed to allow for connection of new rooflight
- Existing pitched roof to 1940s extension removed to allow for new flat roof.
- Existing services and plant stripped out of lightwells.
- Roof finishes to section of existing pitched roof removed to allow for thermal upgrades.

Notes:

Drawings are based on survey data and may not accurately represent what is physically present.

All dimensions are to be verified on site before proceeding with the work.

All dimensions are in millimeters unless noted otherwise.

Purcell shall be notified in writing of any discrepancies.
