Dear Rachel English,

Re: 106 King Henry's Road – Camden Planning Ref: 2017/6307/P – Planning Condition 04

We are the architects and project managers at 106 King Henry's Road. We are submitting this application to Camden Council to discharge Planning Condition 04: Basement – Approved Engineer.

Please refer to the enclosed correspondence from David Nash at Solid Geometry confirming his appointment as the structural engineer engaged for bi-weekly site inspections during the structural works at 106 King Henry's Road.

Please let us know if any further information is necessary to discharge this condition.

Yours sincerely,

Keith Carver
