

**Hatch denotes current floor plan**

**Section Key 1:500**

**key**

- Hatch denotes proposed new partition for Nr.32
- Hatch denotes proposed historical areas to be repair / make good / refurbish

All the original lath and plaster ceilings, cornices, decorative plasterwork and ceiling roses that may have survived to be retained and made good. Conservation paint solvent would be used to peel away historic paint build up to re-expose cornice detailing.

Careful raising of the floorboards, documenting the location and type of fixing of each when removed. Ends not to be broken or cut. To be refixed in place using reclaimed or original iron nails, not screws or stainless steel nails. Note if boards are board end nailed when lifted.

Historic doors in good condition to be refurbished to original state. Removal of MDF later panels to 4-panelled historic doors. Historical door timber frames to be repaired with spliced in timber, repairs where needed and repainted. New ironmongery to match original.

Existing external sash windows to be refurbished: clean and paint to match original. New ironmongery to match original. Broken glass panes to be replaced. Care to be taken not to damage existing windows.

Wienerberger Smeed Dean traditional London yellow brick. Stretcher bond. Flush mortar.

Historic external sash windows and original timber shutter boxes and timber architrave surrounding to be refurbished: clean and paint to match original. New ironmongery to match original. Broken glass panes to be replaced. Care to be taken not to damage existing windows.

New heat reflective roller blinds internally

Existing down pipe to be retained

**Proposed Ground Floor Plan 1:50**

Submittal	Revision	Date	Comments
S0	P2	23/11/17	OVERALL AREA REDUCTION
S0	P3	05/12/17	WINDOW FRAME MATERIAL CHANGED FURTHER TO COMMENTS FROM PLANNERS
