2020/1786/T		13/05/2020 17:00:16	COMMENT	Dear Sir/Madam, , we are submitting our objection to the proposed felling to ground level 14 trees seen and some that are in support to complaints raised by Claire Newbrook Faraday Property Management representing the views of the residents of the estate. The TPO is to be upheld as this precedent to the contrary would greatly damage the character of the public preservation area of Hampstead , and have a negative impact where protection of trees bring well known public benefits with reducing air and noise pollution and even home for protected species of birds .
