4. Site Area		
What is the measurem (numeric characters or	ent of the site area? 504.00 sly).	
Unit	Sq. metres	
5. Description of	the Proposal	
Please describe details	s of the proposed development or works including any ch	ange of use and details of the proposed demolition.
If you are applying for below.	Technical Details Consent on a site that has been grante	d Permission In Principle, please include the relevant details in the description
Alterations to windows	on side elevation, re-construction of existing rear bay, ne	ew garden access and new rear extension.
Has the work or chang	e of use already started?	

Why is it necessary to demolish all or part of the building(s) and/or structure(s)?			
To enable new positioning of windows, to repair existing rear bay window and to enable new rear extension.			
7. Existing Use			
Please describe the current use of the site			
Residential			
Is the site currently vacant?			
Does the proposal involve any of the following? If Yes, you will need to sub-	mit an appropriate contamination assessment with your application.		
Land which is known to be contaminated   ○ Yes   No			
Land where contamination is suspected for all or part of the site	© Yes ● No		
A proposed use that would be particularly vulnerable to the presence of contamin	nation		
8. Materials			
Does the proposed development require any materials to be used externally?	⊚ Yes		
Please provide a description of existing and proposed materials and finishe	s to be used externally (including type, colour and name for each material):		
Walls			
Description of existing materials and finishes (optional):	Brick		
Description of proposed materials and finishes:	Lightweight painted metal fascia and trellis cladding over masonry		
Windows			
Description of existing materials and finishes (optional):	Painted Timber		
Description of proposed materials and finishes:	Painted Timber, structural glass and thin stile metal frames		
Doors			
Description of existing materials and finishes (optional):	Solid timber and painted timber frame		
Description of proposed materials and finishes:	Painted timber and thin-stile metal sliding doors		
Roof			
Description of existing materials and finishes (optional):	slate and asphalt and lead		
Description of proposed materials and finishes:	Lead grey single ply membrane		
Are you supplying additional information on submitted plans, drawings or a design and access statement?			
If Yes, please state references for the plans, drawings and/or design and access
