**Subject:** Removal of magnolia

Dear sir or madam,

We would like to remove a Magnolia from the front of our property, and replace it with a smaller tree. The Magnolia has grown significantly over time and we now receive complaints from the neighbours about it shading their property – it significantly overhangs their property. It also extends out over the footpath.

We have tried cutting it back, but due to the nature of the Magnolia it is not possible significantly to reduce its size without ruining how it looks.

Any information you are able to provide about how we can go about this would be most appreciated.

We are located at 16 Hillway. London N6 6QA.

Kind regards,

Alan Sewell
