2020/2081/T		17/05/2020 21:31:55	SUPPRT	I am in support of the felling of this tree as it is increasingly leaning indicating it has become dangerous and a significant risk. I would like to suggest that this Notice of Intent be converted to a DD Notice so that the tree can be felled ASAP before it actually falls and causes a lot of damage to other trees and a fence. An indigenous large tree could then be planted in its place, appropriate to these gardens to the south of Lindfield Gardens that are on a spring line.
