2020/1105/P	[REDACTED]	18/05/2020 11:57:17	OBJ/NOT	<p>I would like to object to this proposed extension and development and urge the council/planning committee to refuse consent for the following reasons:</p> <p>This development will cause the eviction of existing long-term tenants, one of whom is a key worker (assistant in a school).</p> <p>The proposed redevelopment works will cause noise, dust and disruption to the other residents and users of this busy yet narrow road between Bayham St and Camden High St.</p> <p>We do need more housing in Camden, but affordable and not at the expense of established residents. I urge the committee to reject this application.</p>

2020/1105/P	[REDACTED]	16/05/2020 20:45:27	COMMNT	Forcing out local residents to cram in more apartment for (the few) people who can afford them. Ridiculous.
2020/1105/P	[REDACTED]	16/05/2020 13:31:21	OBJ	<p>I object to this proposal as a Camden resident on the grounds that the internal reconfiguration to replace the existing units with smaller, more expensive additional flats is against the Council's responsibility to ensure adequate housing for residents and to protect its residents from homelessness. If the landlord can amend his plans to retain the size and affordability of the existing units, ensuring no tenants are displaced, I would not object to the extension work nor the creation of additional units within the extension.</p>
