2020/1041/P	Saul Hyman	01/05/2020 14:16:15	WREP	<p>My wife and I live at 19 Oakford Road. We have no objection in principle to the proposal. We have two concerns:</p> <p>That in future the roof of the proposed extension may be adapted and used as a roof terrace and therefore request that the planning permission explicitly states that permission for this has not been granted.</p> <p>Secondly our concern is that the choice of brick finish should as far as possible match that of the existing bricks in the rest of the property.</p>
2020/1041/P	Caroline P Beaton	01/05/2020 15:58:13	SUPC	<p>I live at 15 Oakford Road (next door to the property in question). In principle, I have no objection to the proposal, but would like to raise one matter:</p> <p>I am concerned that any roof terrace that might be adapted from the existing plans in the future would encroach considerably on my property's privacy and sight lines; I would therefore request that the planning committee explicitly rules out permission for that being granted in the future.</p>
