Dear Richard

134268 – 60-70 Shorts Gardens and 14-16 Betterton Street
Structural Engineer

We write to confirm that Fairhurst have been appointed as the Structural and Civil Engineering Consultants under a Design and Build contract with yourselves for the above project (approved planning permission ref 2019/3501/P).

We will be responsible for the design of both the permanent and temporary works associated with the project.

In accordance with Planning Condition 6 we confirm our appointment includes the inspection, approval and monitoring of the critical elements of both the permanent and temporary basement construction works throughout their duration to ensure compliance with the design which has been checked and approved by a building control body.

If you have any queries please do not hesitate to contact me.

Yours sincerely

John Lau
