Dear Sir

I write to object to this application due to loss of residential amenity resulting from noise and nuisance. This application is retrospective. .Alcotraz has been operating in violation of permitted use for a considerable time, showing their contempt for the rules.

We are frequently disturbed by groups as they queue to enter, come out to smoke and drink in the street, during the course of their evening, and generally make considerable mess and noise. Cigarette ends, and glasses and bottles are left strewn on the street.

This is also a massive issue as they leave this "venue". As people get considerably louder after they have spent their evening drinking alcohol.

The attendees are actively encouraged to bring their own alcohol, and to get "as drunk as you like".

I live opposite this establishment, and am seriously affected by it, as are my neighbours, who have young children.

Alcotraz, is in the middle of a very residential area, where entertainment venues, which involve drinking, seriously impact the lives of all who live here.
Neal Street is a very narrow street and the noise reverberates.

I would ask you to give this application serious consideration, and put the lives of the many families at the forefront of your decision.

Thank you for your attention,
Yours Faithfully,
