2020/2140/T		19/05/2020 15:48:37	OBJ	<p>The removal of two mature trees without good reason should not be permitted. "Poor Specimen" hardly seems an appropriate reason for removal when ongoing tree care/maintenance could be used to keep the trees and improve their condition.</p> <p>We therefore object to the removal of the two apple trees. These should be valued, cherished and protected from wanton destruction.</p>
