3 Fitzroy Square is part of a terrace of 8 houses by Robert and James Adam, located on the east side of Fitzroy Square. The terrace was built c1792-4 and is listed Grade I.

A scheme to refurbish 3 Fitzroy Square and demolish and rebuilt the mews segment of the accommodation was previously consented (2019/3817/P + 2019/3818/L).

A minor amendment within the basement of the main house is proposed; in summary the introduction of an additional shower cubicle.

Public consultation was undertaken by means of a site notice and a press notice, but no responses were received. Historic England was consulted and responded on 1 April 2020, authorising the Council to determine the application as it sees fit, with the letter stamped by the Secretary of State.

The site's planning history has been taken into account when making this decision

Special regard has been attached to the desirability of preserving the listed building and its features of special architectural or historic interest, under s.16 of the Planning (Listed Buildings and Conservation Areas) Act 1990 as amended by the Enterprise and Regulatory Reform Act (ERR) 2013.

As such, the proposal is in general accordance with policies D1 and D2 of the Camden Local Plan 2017. The proposed development also accords with the London Plan 2016 and the National Planning Policy Framework.
