19th April 1999

Dear Sir(s)/Madam

Town and Country Planning Acts

Address : **Vernon House, Sicilian Avenue, WC1**

Thank you for your application dated 29/03/1999 which was received on 07/04/1999.

Your application has been checked and found to be **incomplete** for the following reasons:

1. Insufficient information supplied :- the majority of the proposal appears to involve internal works- this will not need planning permission. However, external work may need planning permission. The only external work appears to be the roof top plant. We require plans to show sections and elevations of external plant. Photographs would be helpful. Please could you therefore sent 10 FULL sets of drawings and photographs.

As requested by Mr S.Hoets Team Manager for the South Area.  
Tel: 0171/860 5525 (direct line).

Your application cannot be processed until the above request has been complied with.

The Senior Administrative Officer dealing with this matter is  
Doreen Strutt on 0171 860 5626

Director of Environment Department
