Dear Mr Chan,

**TOWN & COUNTRY PLANNING ACT 1990 (AS AMENDED)  
NATIONAL PLANNING POLICY FRAMEWORK 2019**

**26 West End Lane London NW6 4PA**

*Removal of garden shed and erection of a rear garden outbuilding/studio.*

**Recommend No Archaeological Requirement**

Thank you for your consultation dated 13 May 2020.

The Greater London Archaeological Advisory Service (GLAAS) gives advice on archaeology and planning. Our advice follows the National Planning Policy Framework (NPPF) and the GLAAS Charter.

NPPF section 16 and the Draft London Plan (2017 Policy HC1) make the conservation of archaeological interest a material planning consideration.

Having considered the proposals with reference to information held in the Greater London Historic Environment Record and/or made available in connection with this application, I conclude that the proposal is unlikely to have a significant effect on heritage assets of archaeological interest.

Although within an archaeological priority area, the proposed works are too small scale to result in a significant archaeological impact at this location.

No further assessment or conditions are therefore necessary.

This response relates solely to archaeological considerations. If necessary, Historic England's Development Advice Team should be consulted separately regarding statutory matters.

Yours sincerely
