2020/1407/P	Steve Outerson	26/05/2020 10:39:48	SUPPRT	There is a shortage of competently run nurseries in this area. Existing local provision suffers from poor management and constant staff turnover - which makes it difficult to entrust the safety and welfare of one's children to them. An element of local competition may be beneficial to everyone in the community as standards and levels of competence could be improved - I therefore support this application.
