2020/1412/P	Jennifer Marsh	24/05/2020 16:14:12	OBJ	I object to this planning application as I believe a hostel will not add any value to our local area. The building has operated as a pub for many centuries and should continue to do so. It is a community asset and brings the local people together.
2020/1412/P	Sacha	24/05/2020 23:11:10	COMMNT	This screams trouble. A hostel and a games room doesn't sound like anything of quality and is most likely going to be a cheap do up which attracts undesirables to an already anti social area. Please don't let developers with too much money and no taste rip up old beautiful buildings like the red lion and turn it into something nasty. It should be a traditional beautiful pub as intended. I worry about the quality of businesses which go up in Kilburn and really hope that going forward the council listens to the public's concerns and take into account those who have to live near these types of outlets.
