2020/1987/T	Louise Lewis	25/05/2020 15:47:49	COMMNT	<p>There have been many applications to fell many trees on this site, most recently 2020/0191/T. Trees have been felled but, for the most part, there have been conditions to plant replacements. Although this tree is not particularly significant from Fitzroy Park, it seems to be part of a group behind the new, high gate. This particular section of the frontage has been rebuilt with a high wall, a tall gate and hard paving. This makes for a very hard, „built„ section of the road. It would be appreciated if the owner could plant a replacement tree and do some planting to soften the impact of his development on the streetscene.</p> <p>Louise Lewis Highgate Neighbourhood Forum</p>
