Dear Sir/Madam

DECISION

Town and Country Planning Act 1990 (as amended)

Request for Observations to Adjoining Borough - No objection

Address:
32 Hampstead Lane
Haringey
N6 4NT

Proposal:
Alterations to existing roof and rooflights of swimming pool / garden room
Drawing Nos: Letter from Haringey dated 17/04/2020 ref: HGY/2020/0861

The Council, as a neighbouring planning authority, has considered your request for observations on the application referred to above and hereby raises no objection.

Informative(s):

- 1 The application site is located on the north side of Hampstead Lane fronting the boundary with the London Borough of Camden. The site is not located adjacent to a Conservation Area. Given the nature and location of the works, there would be limited public views and no impact on the character and appearance of the streetscene.

In respect of impact on the amenity of residents within Camden and Camden's transport network, given the siting of the development in relation to Camden it is considered it would not impact on either of these considerations. As such no

objection is raised.

The application should be determined under Haringey's planning policies.

Yours faithfully
