25 January 2005

Dear Sir/Madam

Town and Country Planning Acts 1990 (as amended)  
**INCOMPLETE APPLICATION**

Address: **29 Sicilian Avenue**  
**London**  
**WC1A 2QH**

Proposal Description: 1) Refurbishment works including removal of external shutters, existing stud partitions and suspended ceilings. 2) Display of non illuminated fascia sign to both shopfront windows and 1x non illuminated projecting sign.

I refer to your application received on 20 December 2004.

Your application has been checked and found to be **still incomplete** as the following matters remain outstanding:

- Point 4 of our previous letter has not been fulfilled. To clarify please provide 1:50 sections through the proposed and existing shopfronts so that details of the fascia, shutter box and proposed new signage can be clearly seen. Any new materials and repairs should be clearly annotated.
- Please provide 5 copies of the requested information.

Your application cannot be processed until the above points are satisfied. On return, please quote the application number.

Director of Environment Department
